Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I receive my HRT compounded
prescription from Madison Pharmacy
Associates, specialized for my specific needs.
It took me a long time and much
networking to find this source that can
meet my needs. It is my right and my
choice to continue to receive my
medication from them!
